

Tutorial on Diffusion Geometry

This session was a tour of two websites on diffusion geometry. We are grateful to Stephane Lafon (Google) and Mauro Maggioni (Mathematics Department, Duke University) for their permission to show these excellent web based tutorials. Please see the following sites and click on go to the demos and tutorials.

1. Stephane Lafon's website is at: <http://www.math.yale.edu/~sl349/>
